

# SIBLING-SHARE SUBSCRIPTION PLAN

1

## What is Pippin Sibling-Share?

Pippin Sibling-Share is a toy exchange plan that is specifically for the family that wants to get one toy pack for their children to share.

2

## How does it work?

Each month I will drop your child's Toy Pack at a drop-off point near you. You will collect the toys and keep them for a month, after which, you will return them to the drop-off point & I will have a "new" Toy Pack there waiting for you.

3

## What is in a Toy Bag?

The Toy Bag will contain 6 items from the list below. Choosing this pack does mean the toys won't ALWAYS be developmentally appropriate for ALL of the kids. These packs are theme-based - most toys, if not all, will link to a theme.

Please note: Sensory Bin Packs will be SHARED along with the other items in the bag.
